US Presswire/Icon SMI/US Presswire LaDainian Tomlinson is out in San Diego, Thomas Jones has a new family in Kansas City and Brandon Marshall's future in Denver remains precarious. Were a week into free agency Here is a look along the key aspects of the offseason as each team in the division so far and whats ahead:

Denver

Big news: Brandon Marshall, custom football jersey. The Broncos set the stage as Marshalls departure by putting the first-round tender aboard him. It didnt take long as Marshall to attract beguile Seattle set up a visit to bring in Marshall on the first day of free deputy The Marshall situation could drag aboard especially if other teams show amuse But the fact that Marshall was in anew teams architecture over the weekend is huge news

Surprise: The new-look defensive line. Last annual in his first as Denvers coach Josh McDaniels remade the Broncos defensive line. He is doing it afresh in his second year The Broncos have signed defensive linemen Justin Bannan, Jarvis Green and Jamal Williams. All three of these players are expected to play major roles

Best decision: Giving Elvis Dumervil the lofty tender. Dumervil, 26, authentic college football jerseys, represents the hereafter as Denver. He led the NFL with 17 sacks last season. Had Denver never put the lofty tender of a first- and third-round elect aboard Dumervil, he would be modish in free agency With the lofty tender, nfl nike jerseys 2012, Dumervil probably is staying put, notre dame football jersey.

Worst decision: Not creature flexible on Marshalls compensation. It has been reported that the Broncos ambition keep Marshall if they dont get a first-round elect in return as him. Perhaps this is posturing. But unless other crews start pursuing him, I dont see Seattle giving up a first-round elect Yet, the Seahawks could attempt other creative compensation. Ultimately, the Broncos want to part ways with Marshall, personalized nfl football jerseys, barely this lofty price label could discourage that from affair

Whats needed: Continue to get bigger. The Broncos added size to the defensive front. Now, cheap nfl jerseys free shipping, they must do so aboard the combative line. Denver is moving away from the zone-blocking contrive to a more traditional power-blocking attack The Broncos need a left guard and a centre

Kansas City

Big news: Thomas Jones signing. Next to the trade as quarterback Matt Cassel last annual this is the biggest transfer of the Scot Pioli epoch to appointment The adding of Jones shows Kansas City is willing to spend and it wants to get better. The veteran running back ambition assistance this offense

Surprise: How offensive the Chiefs planned to be. Last annual the Chiefs were denounced as never creature active This yearly has been a alter story. They were planning to pursue San Diegos Darren Sproles had he beat the open market and they tried to commerce as recipient Anquan Boldin. Before signing Jones, boise state football jersey, Kansas City likewise was considering companion fleeing backs Justin Fargas and Willie Parker. It is clear the Chiefs are decided to get better.

Best decision: Re-signing Chris Chambers. Adding Jones and keeping Chambers ambition support Kansas Citys guilt evolve in the first daily under new combative coordinator Charlie Weis.

Chambers was Cassels favorite target while he was alleged off waivers along San Diego in November. A full season of playing with Chambers ought support Cassel, womens nfl jerseys.

Worst decision: Not trading as Boldin. A receiving crew of Chambers, Boldin and Dwayne Bowe would have been formidable. The Chiefs have two second-round picks subsequently month. It might have been worth it to commerce an to get Boldin and really open up the offense

Whats needed: Keep spending. The Chiefs are on the right lane But they need more talent throughout the team They need to add more pieces, maybe on the provocative line and in the defensive back eight.

Oakland

Big news: No colossal spending. For the second annual in a row, the Raiders are watching free agent as bystanders. Two years ago the Raiders spent wildly, nfl jersey shop. It didnt go and most of their 2008 free-agency class has been mowed The Raiders are sitting on the sideline in this

uncapped year You would count Al Davis would acquaint a splash alternatively two,nfl nike jersey,barely he has been very muffle

Surprise: The release of Greg Ellis. The defensive annihilate was mowed behind an season with the crew Ellis had seven sacks last annual but he dealt with injuries. Still,nike nfl jersey 2012, he may have a daily alternatively two left. Yet,nfl jersey sales, the Raiders determined to go with teens along the position. Perhaps that is a appealing sign of asset to come. Of course they gave another 30-year-old defensive annihilate Richard Seymour, the franchise label behind giving up a 2011 first-round elect as him. You never know the thought process in Oakland.

Best decision: The release of Javon Walker. This move was a long period coming. Walker was an of the worst free-agent decisions in NFL history,infant football jersey. Oakland gave him a six-year, \$55 million deal with \$16 million in guaranteed money in 2008. He had 15 catches in two seasons in Oakland. He never helped

Worst decision: Giving Stanford Routt the high tender. The export cornerback was given the lofty tender of a first- and third-round elect Routt is never a starter and is a peripheral export Even whether Oakland put the first-round tender aboard Routt, he wouldnt have attracted interested. The transfer simply cost the Raiders money and served no purpose

Whats needed: The Raiders have to spend some,football jerseys for sale. Its admirable that Oakland has theoretical its lesson from its horrible spending spree of two years ago But the Raiders need support This isnt a playoff- quality roster. The crew needs assistance in several places The Raiders dont must spend big merely they do need some new players.

San Diego

Big news: The team is losing mathematics The Chargers cut former stars LaDainian Tomlinson and Jamal Williams. Then they traded cornerback Antonio Cromartie and lost free agents Kassim Osgood and Brandon Manumaleuna. The Chargers have never added any players of note San Diego prides itself on its depth and none of these players are irreplaceable,merely the Chargers could miss some of them.

Surprise: The Chargers gave the lofty tender to escaping back Darren Sproles. San Diego was expected to let the change-of-pace escaping back/return star test the mall but Sproles was tendered by the deadline. Good entity as San Diego,for Sproles probably would have been signed surrounded 48 hours aboard the open market

Best decision: Trading Antonio Cromartie. The team grew tired of the cornerback,football jersey numbers, who struggled every now and then on the field and had some off-field issues. Cromartie was sent to the Jets as a 2011 third-round pick that could corner into a second-round pick depending aboard playing period It was a agreeable measure as a player San Diego couldnt wait to part ways with.

Worst decision: Not re-signing Jamal Williams. Only for it allowed Denver to sign him. Williams probably doesnt have much left. But if he does,create a nfl jersey, the Chargers ambition beg seeing Williams play well as a antagonist

Whats needed: A escaping back. The Chargers are catching a calculated risk They are never impressed with the free-agent class, so they are waiting as the draft It is a deep chart The Chargers evidently feel they tin get a primary back afterwards Still, it is a tad macabre waiting as an anonymous rookie to be the primary back.Tweet Tweet

The Texans season looks as whether it’s over with losing the last two games. They sat along 5-5 ahead losing behind to back road games by Cleveland and Tennessee, football jersey design. At 5-7 the crew would have to run the desk and have a lot occur in order to lurk into the playoffs at 9-7. They have a family game Sunday vs Tampa Bay, followed along a household contest with the Broncos, along Indy and family vs the Jags to annihilate the normal season.
